Question:

If you were offered the chance to solve a puzzle to win a significant prize, would you prefer a puzzle involving numbers or pictures? Explain which you would prefer and why.

Answer:

Firstly this is a essay question for me. because I don't like numbers. I like pictures. Because of i choose to pictures. Pictures puzzles are easy for me and Numbers are most difficult than pictures. Pictures match is easy. Colours help me. In the otherwise number match is very difficult. It is complicated. If i want to win, I woluld choose pictures
