## Writing Section

**Question:**

What will you do on your next school break or vacation?

**Answer:**

In my next school break, maybe I will keep going to work and spend more time at home after my job schedule, this will give me some time to visit my family and girlfriend on weekends, plus I can continue improving my artistic skills, such as, drawing and crafting things like helmets with foam.

In the other hand, not having classes will give me more time to rest after work, cooking for myself or taking naps to do my stuff in the afternoons and maybe it can give me time to play some videogames at night with my friends.
