Can produce clear, well-structured, detailed text on complex subjects, showing controlled use of organizational patterns, connectors and cohesive devices.

Writing Section

Question:

Write to a university in Canada about the subject or major you would like to study there and why you have chosen this subject or major.

Answer:

Canada University:

I write because I'm very interested in learning IT next year. I'm an university student and would really like to learn more about the subject. I choosed this subject because that's something I have always dreamed about to learn, and I find it very interesting. Also I'm very interested on applying that knowledge someday, and also to share and teach someday. I hope to be accepted.
